The SCJGA was built on a foundation of networking community junior golf programs referred to as "Chapters." Chapters give juniors an opportunity to be a part of a local, fun, summer golf tournament schedule designed to develop tournament skills, teach a working knowledge of the Rules of Golf, and build lasting friendships.
The Pee Dee Chapter of the SCJGA is one of 19 local programs around the state.

Spectators too are expected to show the same respect for the honorable game of golf and their golfers with proper attire.

All Pee Dee junior golfers are required to become members of the "Good Golfer Club"... meaning those who leave the golf course in better shape than they found it!

No horse play is allowed on the golf course.

Any damage to the golf course must be reported as soon as possible.

Point System

The point system is the vehicle for recognizing a player's achievement and participation. Players accumulate tournament points based upon their finish. Based upon the players best four finishes, will determine qualification to play in the Chapter 2-day Championship Tournament which ultimately determines who plays All Stars at Sea Brook Island.
