All Star Recognition

Individuals qualify for All Stars by participating in chapter tournaments and accumulating points based on finish. Each chapter will field a team of no more than 14 players using the following criteria: Boys Division—2 from each age group; Girls Division—2 from each of the girl’s age group. Vacancies will be filled from the next available qualifier in the division age group in question.

Ties: Points should be combined and split for tournaments where a tie exists. If at the end of the season there is a tie for total points accumulated, ties should be played off on the course to determine which player will advance to the All Star Championship

Points awarded for the Chapter Championship will be doubled and added to the points accumulated during the regular season.

All Star qualifiers must have played in half of chapter events to advance to All Stars.

All Star Team Competition:

- The team score is computed using the best score of the two players in each age group. The teams score is the aggregate score of the best scores
- Chapters can compete without a full field
- All nine-hole players can pick up after double par.

All Star Individual Competition:

- Stroke play in seven age groups
- Trophies awarded for five places in each age group
- In the event of a tie for first place in each group, a sudden death playoff will be held starting on a hole determined by The Committee.
- Ties for other trophy positions will be settled on the card starting with last round, then last 9 holes, last five holes, last three, and last hole. If there is still a tie, a second trophy will be provided.

Code of Conduct

Every player is responsible for knowing and following the code of conduct policies adopted by the SCJGA and this chapter. Playing is a privilege, not a right.

General:

- No profanity/excessive noise
- Do not abuse the golf course
- No throwing or slamming golf clubs or equipment
- Alcohol and tobacco by players is strictly prohibited
- If you can not make it to a tournament please notify Ashley Smith by phone or email.

Penalty Procedure:

- 1st offense.....1 stroke penalty
- 2nd offense....2 stroke penalty
- 3rd offense.....DISQUALIFICATION & SUSPENSION FOR 1 YEAR

Proper Golf Attire:

- No denim jeans, cut offs. Or swimsuits
- Shorts must be Bermuda length
- Shirts must have a collar and be tucked in (no tank/under shirts)

The chapter director reserves the right to make rulings and ask a player to leave the golf course because of inappropriate attire.

Parents/Spectators

- Spectators can not give advice. Therefore, any advice given by a parent/spectator will result in the player being penalized.
- Keep your distance—try and maintain 30 yards from competitors
- Rules of Golf—rules are not advice. If a parent knows a rule, it is acceptable to inform a player of his/her option. In such a case, if the spectator is incorrect, the player is responsible. There is no perfect way to handle this other than to say: do not give a ruling if you do not know the rules.
- Spotters—spectators are welcome to spot for players. It is very helpful with pace-of-play and completely within the rules of golf.
- Spectator carts are given, per club availability, for those that have medical conditions that prevent them from walking!
