

Little Legends Golf

**WHO & WHAT:**

The Little Legends Clinic Series is an eight session instructional series designed for beginners or players looking to recover the basics of the game taught by local PGA and LPGA pro's and apprentices. Experienced players in this age group should sign up for their local Little Legends Players Series or their local Hootie & the Blowfish Junior Golf Series Chapter. The mission of the program is to create a fun opportunity for youth ages 6-12 to be introduced to the golf course in a laid back small group atmosphere. This cost effective program develops a familiar and comfortable environment to play golf.
